Seed Growers Association To Embrace Entire Peace River Organized at Big Field Day

Decide To Link Up With Dominion Body—Committee Appointed To Complete Organization Program With Unanimous Approval.

Following the completion of the program at the Big Field Day held at the Beaver Lodge Sub-Station on Saturday, August 15, those interested in seed production held a meeting for the purpose of forming an organization to embrace the entire Peace River.

W. Sharpe Defines Conditions Social Credit Covenant

Interpretation of the terms to be filled out by retailers, farmers and other producers when signing the Alberta Social Credit Covenant was given by Wm. Sharpe, M.L.A., at a meeting of the Grande Prairie Social Credit group held Monday night.

In the main the terms of the covenant were that party signing agreed to accept a percentage of pay in Alberta credit certificates and to make no demands for exchange in Canadian currency until such time that the Alberta government is ready to accept them.

"If you believe you can spend your time fishing or berry-picking and still collect your salary, then you are probably mistaken," Mr. Sharpe continued, as he pointed out that the most signed up to the better the dividend would be, but that some effort would have to be shown for it.

The government is also planning to extend interest-free loans to individuals on a "good, service, and interest-free loans to producers in the province and to retailers to enable them to buy Alberta credit certificates and to build up Alberta's own industries as much as possible.

The speaker then explained that he had heard Premier Albertart express the thought that through taxation the provincial debt could be paid off in twenty years. "At that rate, we could spend the \$8,000,000 a year tax money on other essentials in the province such as building roads, etc."

Rebelle's are being accepted in August and September this year and during the month of June of following the year at the rate of 100 per cent in Peace River, where they were decided on at an executive meeting of the Social Credit group in Grande Prairie Wednesday night.

Forty per cent of more farmers having signed, all arrangements can then be made for a credit house where farmers and others may bring their certificates to be cashed to their credit.

The chairman, Tom Wilson, explained the difference between negotiable and non-negotiable certificates, and added that the certificates were guarded by the government for a fair price in his dealings. "Our government is on the right track," he added, "and is the only body that has ever tried to do anything for the people."

Crops Very Good In Peoria District Cutting Started

George Helwig of the Peoria district was in Grande Prairie on Wednesday, Mr. Helwig, who is a family arrived home last Friday after making a trip to California.

Seen by The Tribune reporter, the visitor said that he was glad to find the crop looking so well. Cutting on a few farms had commenced in his district, but would not be general until the first of next week, said Mr. Helwig, who added that the Peoria district this year had one of the best crops in the United States.

Mr. Helwig had had something to say about the roads in Alberta, and more especially about the roads in the Peace River. "Do you know," he remarked with emphasis, "that compared with the roads on the other side of the line the roads here are like cow trails."

Social Crediters Appoint Their Zone Managers

At a meeting of the constituency executive of the Social Crediters, held at Grande Prairie on Wednesday night, the following zone managers were appointed:

North—W. J. Oxford and Ventres; Beaver Lodge—Harry Walker and C. Dunn;

West—A. E. W. (Cap) Roberts, M. Symons and Roland S. Young;

Grande Prairie—Oscar Kenny and A. R. Murphy;

Deloit—Dr. Nelson and Wade Matlack;

Riverport—Wm. Tink and Chris Hemmick;

Spirit River—G. P. Pring and Holmberg.

Zone managers are responsible for registration in their zones, and will begin as soon as arrangements can be made. Registration is voluntary.

ASK INJUNCTION BE SET ASIDE

EDMONTON, Aug. 18.—Application by the province of Alberta for an injunction preventing the city from accepting a \$100,000 loan from the Agricultural Economics and the European Export, exclusive Russia, would be set aside in Supreme Court chambers Friday, Aug. 19.

TOM BLAIR ENJOYS MANY ATTRACTIVE AT GOLDEN JUBILEE

Tom Blair, manager of Shores Stores Limited, arrived home Tuesday of last week with enthusiasm over the Peace River Exhibit and many attractions seen at the Vancouver Golden Jubilee on his two-week visit there. He joined Mrs. Blair and family who are spending a vacation with Mr. Blair's parents in Vancouver.

"The Peace River Associated Board of Trade exhibit really commanded the attention of everyone visiting," he said, "as even those who do not know anything about the Peace River are interested in examining the exhibits." Blair pointed out that the exhibit was made up of various colored grains to the left of the exhibit, including King Edward, Mackenzie King, R. B. Bennett, Patsburg, Abernethy, G. O. McNeil and others, as well as the exhibit of the line.

Many Flock To Peace River For Harvest Work

Majority Of Those Coming In Are Quite Young—Homeleaders Here Should Be Given The First Consideration.

On every freight train coming into the Peace River there are harvesters from all over the province. The majority of those who have arrived are quite young, their ages on the average, being from 18 to 22 years.

It has been estimated that some four thousand extra men required each year in the whole Peace River to take off the crop.

As there are hundreds of home-leaders in the cutting districts who are not needed, and something ought to be done at Edmonton to prevent the flooding of this country with men, a condition should be made that the men coming in should be given the first consideration.

According to the Tribune's information, there are more men here now than at any time in the past. It is estimated that some 25,000 men are coming in to work on the crops in the Peace River district.

Anglican S. S. Van Women Walk 160 Miles; Bad Roads

To walk 160 miles this summer in the Peace River district has been the experience of Miss Martley and Mrs. Barker, in charge of the Anglican S. S. Van. They spent Tuesday and Wednesday getting supplies in Grande Prairie.

On a trip west of Spirit River the van, owing to bad roads, had to be abandoned and the occupants were forced to walk one hundred miles, and added that the van was in a very bad state of repair.

To give some idea of the extent of the trip, the van was called upon to take 750 boxes to Fairview each month. These boxes are corrected and returned.

Harry Card And Brother Meet After Thirty-five Years

A few days ago a stranger called on Harry Card, the East End. Now all friends and strangers are always welcome at Harry's home, where he is a bachelor.

"You live alone here?" enquired the stranger.

"Yes," replied the genial Harry.

"How long have you been here?"

"Ever since that far," came the reply.

"Ever since you came into this country?"

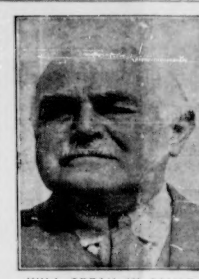

"No," replied Harry, who went on to explain that he never had time to leave himself home, even for a few weeks.

Big 3-Day Out-Door Carnival Is Now Underway at Grande Prairie

The big three-day outdoor carnival now showing in Grande Prairie and which is sponsored by the Grande Prairie Board of Trade, is now in its third day. The carnival is now in its third day.

Mike Bilinsky

Mike Bilinsky is taking on all comers at the three-day outdoor carnival now in progress at Grande Prairie.

WILL SPEAK IN CANADA

Mr. Hon. Vincent Massey, President of the Conference of Chairmen of Commerce of the Empire, which will hold its meetings in New Zealand in September, will address several organizations while on his way across Canada. He is a descendant of a military governor of Quebec in the early days of British rule and one of his titles is Baron of Nova Scotia—the eleventh of the line.

"We Will Yet Get Old Outlet" Says Trelle As He Returned To Vancouver On Tuesday

Herbert Trelle, who has charge of the Peace River Exhibit at Vancouver, arrived in Grande Prairie on Friday morning, August 19, and returned to Vancouver on Tuesday night's train.

The Wheat King was all enthusiasm. He said that he had been to the exhibit and that he was very much interested in it. He said that he was very much interested in it.

DeBolt Annual Fair To Be Held On August 28

DE BOLT, Aug. 20.—The De Bolt Agricultural Society will hold its Annual Fair and Flower Show in the Club Hall on Friday, August 28.

Some special prizes will be awarded in several classes of cooking. Kindly have your exhibit ready for the committee at 1 o'clock.

Jack Spicer Wins Two Thirds Dom. Championships

Jack Spicer, who has been in the Dominion Track and Field Championships held at Montreal, August 14 and 15, has won two thirds of the championships.

BRACKEN GETS S. C. SUPPORT

Make School Fair Best Ever, Plan Of Committee

The Grande Prairie district school fair will be held on Saturday, September 12 this year. Plans are being made to hold one of the largest and best school fairs ever held in Grande Prairie.

Joe Louis Knocks Out Sharkey In Third Round

NEW YORK, Aug. 18.—The fight between Joe Louis and Max Baer, which was held at the Madison Square Garden, ended in the third round.

Belloy Ball Team Get Scaps Of G. P. Boys

Belloy ball team, which has been in the news for some time, has been defeated by the G. P. boys.

VANCOUVER ARENA BURNED

VANCOUVER, B.C., Aug. 20.—The early today went through a great fire, which destroyed the arena and six other buildings, and caused a loss of \$200,000.

Bishop Guy To Hold Confirmation Services in West

Rev. Joseph Guy, O.M.I., Bishop of Groulx, is passing through Grande Prairie on his way to the West. He will hold confirmation services in the West.

QUEBEC, Aug. 18.—Canadian Press reports final standing in the Quebec election as follows: Lib. 74, Union Nationale 76.

Dr. Newman, Dominion Cerealist; Professor P. A. Baving Of The University Of British Columbia; F. L. Dickinson, Grain Expert For The U.G.G. And Vice-President Of The Dominion Seed Growers Association, Present—Field Day Proved Interesting And Instructive.

Notwithstanding that harvest was somewhat delayed, the field day at the Beaver Lodge Sub-Station on Saturday of last week was a success.

The weather was ideal and visitors took advantage of the opportunity to visit the various plots, which were at their best.

Dr. L. H. Newman, Dominion Cerealist, of Ottawa, Professor P. A. Baving, of the University of British Columbia, and F. L. Dickinson, grain expert for the U.G.G. and Vice-President of the Dominion Seed Growers Association, were present.

The following education superintendent, who was in attendance, A. H. Hill, of the University of British Columbia, was also present.

Among those from a distance present was Alex McKeen, who has charge of the Illustration Station near Fairview.

Mr. Albright welcomed the visitors, who assembled on the lawn. He was especially pleased to see so many from the U.G.G. and the U.G.G. was very much interested in the field day.

The Wheat King had no time in telling about the exhibit and the importance of the Peace River as a cereal district.

He said that the Associated Boards of Trade were in sending the exhibit to the U.G.G. and the U.G.G. was very much interested in the field day.

Mr. Trelle said that the exhibit had been in the news for some time, and that it was very much interested in the field day.

Mr. Trelle said that the exhibit had been in the news for some time, and that it was very much interested in the field day.

Mr. Trelle said that the exhibit had been in the news for some time, and that it was very much interested in the field day.

Large Turn-Out Cereal Field Day

(Continued from Page One)

In Mr. Treble's opinion the effect of the exhibit will be lasting and should go a long way in finally inducing those in authority to build the Outlet.

In introducing Dr. Newman, Mr. Albright observed that it was fortunate that Dr. Newman's visit was coincident with the elevator plant field day, which was sponsored by Seaside Grain Co. Ltd., National Elevator Co. Ltd., Northern Elevator Co. Ltd., Midland-Pacific Grain Corp. Ltd., and British American Elevator Co. Ltd.

Dr. Newman

Dr. Newman congratulated Mr. Albright on his 60th birthday and remarked on his long and successful life. He expressed sympathy for Mrs. Albright, who had lived with her husband so long.

The speaker said that it was the first time in his life that he had been associated with agriculture. The fact that he had not visited the Sub-Station since 1925 was a compliment to the station.

Speaking of the crop testing plots, Dr. Newman said that the charts he had revealed that in many cases farmers did not know what they were growing.

A Visit to the Plots

Everyone then moved to the plots, where Dr. Newman, assisted by E. C. Stacey, gave an interesting and instructive talk.

In the plots were grain from 23 Peace River elevators representing in all 500 farmers' deliveries.

Dr. Newman examined several of the plots and turned to the charts, revealing that in many cases farmers did not know what they were growing.

Several old varieties such as Huron, Vermont and Ladino, which have very poor milling value, were noted among the imports.

Mr. Stacey announced the classification of the plots as follows: 1. 50 per cent. B (Fair), 42 per cent. C (Poor), 54 per cent. Marquis, 7 per cent. Garret, 53 per cent. Huron, 6 per cent. Red Bobs, 222 1/2 per cent. Early Triumph, 3 per cent. mixtures, 20 per cent.

Following this there was a discussion centering around plots of standard varieties of wheat, oats and barley.

The visitors then moved on and viewed an interesting display of new oats and a late sown plot of new O.H. barley.

From here the visitors were led to the flax plots. Dr. Newman discussed the numerous flax varieties and the seedling process, drawing attention to the fact that one of the new varieties would be supplied to the Peace River Station next year for testing purposes.

Following the inspection of the plots the crowd turned to the house where the chairman, Mr. Albright, introduced P. A. Hoving, who had been in charge of the flax plots and the initial development of the Station. Mr. Hoving got a great hand.

The chairman then introduced Professor P. A. Hoving of the University of British Columbia, who is visiting the British Columbia Experiment Station in the interests of the Agricultural Department of his university. He had a short talk on the flax plots and the initial development of the Station. Mr. Hoving got a great hand.

The speaker referred to the development work being carried out at the Peace River Sub-Station, which was in barley, and he complimented Mr. Stacey on the work being done there. Dr. Newman observed that he had no hesitation in saying that the plots here were the best he had seen in the West. Dry years, he said, furnished an opportunity to check up on the various plots which were in the under drought conditions.

After showing what had been accomplished in the Valley through organization, he promised every support to the proposed Seed Growers Association.

VALHALLA NEWS

VALHALLA, Aug. 17.—Jesse Toffel, land and family, and G. Amundson and family, were on the Fish Lake picking berries last week.

Melvin Hagen is putting a new roof on his barn.

A number of localities were to have had last Friday night to see the show and dance, and report a good time.

Mrs. A. P. Hagen was the proud possessor of a beautiful bouquet of sweet peas, a gift from Evelyn and John Fredrickson.

Edith Kivlie is staying with Mrs. H. Hagen while Mr. Hagen is away working.

Mrs. M. Horneland and Mrs. P. Hagen are visiting with their sister, Mrs. Anna Hagen, at Bear Lake.

BEAVER LODGE

BEAVER LODGE, Aug. 18.—Miss Key Little arrived home on Friday morning, having spent the last week visiting in Calgary.

Measures P. Walker, Geo. K. Hagen, Stanley Davis, C. Thomas and Jack Craney returned on Saturday night from Edmonton. They also visited Rose and Calgary.

ROSE GROWERS HERE WIN AT EDMONTON SHOW

Beaver Lodge rose growers did very well at the rose show at Edmonton. Mr. Albright got one first and Jack Craney got a first and third. Mr. P. Walker got a third.

The boys all came home from camp on Saturday and according to all reports everyone had a good time.

Some of the crops around here are being cut, but cutting isn't general yet, it is still in the early stages.

THE BEST OF THE WEEK'S INTERESTING NEWS PICTURES

LONE WOMAN CONTENDER AT CANADIAN RIFLE MEET

Miss Helen Rottenburgh, of "Fintry," near Glasgow, Scotland, well known to officers of the entire British Empire, is attending the Ontario rifle matches at Long Branch. She has frequently entertained Canada's Bisley team at her Scottish estate.

INDUSTRIAL ACTIVITY IN WELSH VALLEY

A picture taken from the air of the Ebbw Vale Iron and Steel Works in Monmouthshire. About 800 men, mostly unemployed steelworkers, are engaged day and night in clearing a site for the plant which is to be reconstructed in readiness for re-starting the works, which closed in 1929.

ITALY TRAINS YOUNG ABYSSINIANS

Abyssinian children in regular formation march past an Italian official in Addis Ababa, the native boys being trained much along the line of the "Youth" organizations in Italy.

PHIL EDWARDS

Graduate of McGill University and representing the Hamilton Olympic club, who qualified for his third consecutive 800-metre final at Berlin.

HOWIE MCPHEE

Vancouver's hope at the Olympic games, who has won a place in the 200-metre preliminary. He is champion of Canada for the 100 and 200 metres distances.

PRIVY PURSE KEEPER

Major Ulick Alexander, Comptroller to the Duke and Duchess of Kent, is to be appointed Keeper of the Privy Purse in the Royal Household.

SEE HOW THEY RUN

Johannes Ledwayer, young South African winner of the marathon championship of Natal, made use of switches in his training for the Berlin marathon. Coleman spent a few hours every morning trying to chase some of the birds wandering loose in a private park placed at his disposal.

HORSE TAIL THIEF

The police at Helsinki, Finland, are trying to find a thief who specializes only in horse tails. His method is to enter stables at night and sell them to tailors for padding suits or to furniture dealers for upholstery.

SUCCEEDS TO AIR MINISTRY

Sir Donald Banks, who has been appointed Permanent Secretary to the Air Ministry in succession to Sir Christopher Bulluck, dismissed by direction of Premier Baldwin.

REBEL CONVICT SEIZED

Captured after a manhunt conducted since the prison break May 13 at the Oklahoma state penitentiary at McAlester, Julius Rohannson, leader of the break was seized near Dalnagerfield, Texas.

BELGIUM'S AMBASSADOR

Baron de Cartier de Marchienne, Belgian Ambassador to Great Britain, arriving at No. 10 Downing Street for a conference of the Locarno powers.

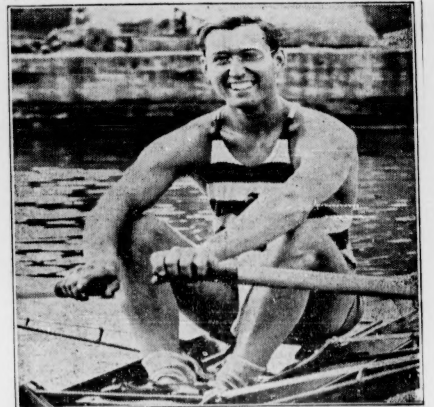

FILMING CANADIAN EPIC IN MOUNTAINS OF BRITISH COLUMBIA

Principals in "The Great Barrier," Gaumont-British feature, now in production in the mountains of the Interior of British Columbia. The play deals with the hazards of early railway construction days and is based on the novel by Alan Sullivan, Canadian author. Two of the principal players are Richard Arlen and Lilli Palmer, petite Viennese star, shown above in an atmospheric close-up. Arlen, a veteran of the screen, enlisted at Winnipeg in the Royal Flying Corps during the Great War, and trained in the "Great Barrier" is Barry Mackay, rising young British star, who had prominent roles in "Evergreen" and "Born for Glory."

DRAMATIC MOMENT IN LABOR WAR

One of the dramatic moments in the history of organized labor came when William Green, president of the American Federation of Labor, read the statement suspending ten "rebel" unions. His announcement came after a trial at Washington at which the Federation's executive board voted to temporarily suspend the industrial union faction, headed by John Lewis, United Mine Workers president. The suspension, affecting some 1,000,000 workers, was made temporary pending agreement of the insurgent unions to cease their efforts to organize steel workers on an industrial union basis.

DOUBLE VICTORY FOR SCULLER

Heck Miller, of Toronto, Argonauts winner of both the Junior singles and Association singles within a period of three hours at the Canadian Rowing.

NEW OFFICERS OF THE ROYAL HOUSEHOLD

The Duke of Beaufort (left) and the Duke of Rutland (right) were prominently mentioned in connection with a number of changes in the personnel of the King's household recently, following the retirement of several high officers.

Gleanings of Interest To the Women Folks

By THE GLEANER

Mrs. A. Fields spent last week as the guest of Mrs. A. Murchie of North Kildonan.

Mrs. and Mrs. G. W. Simpson have as their guests the former's sister, Mrs. T. A. Norris, and son, Alvin, of Peace River, who arrived by motor last Saturday.

The Misses Manilla Beatty and Jean Purvis of Wembley were guests of Mr. and Mrs. W. A. Clarkson in Grande Prairie last week.

Mrs. J. M. Ellis returned with her family last week from a month's vacation at Sturgeon Lake.

Mrs. Ellen Cameron leaves next Friday to enter in her first year's training at the Royal Alexandra Hospital in Edmonton.

Mrs. Dorothy Russ returns to Edmonton this Friday for her second year in training at the University Hospital, after spending a three weeks' vacation at the home of her parents, Mr. and Mrs. W. Russ.

Miss Annette Jones is spending a few days at her home in Driftpile, while her aunt from New Jersey is visiting with her parents.

Miss Alberta Kadey leaves Sunday to spend a few days on an extended vacation with her parents, Mr. and Mrs. G. Kadey, at Clarkson Valley, and will continue in Calgary to visit friends for another week, leaving on September 5, for Seattle.

Mrs. Frank MacLaren was the guest of Mrs. Alex H. McTavish for a few days in Drumheller before returning home from a five weeks' holiday last week. Mrs. MacLaren also visited at Three Hills and Lethbridge, and reports a very lovely trip.

MRS. MANTLE'S SISTERS

Mrs. Hamilton of Valhalla and her three children, and Mrs. J. Rank of Riverport and her three children are the guests of Mr. and Mrs. Jack Mantle at Bear Lake, arriving here Wednesday of last week and leaving this Wednesday.

A. Delong of Valhalla, Mrs. Mantle's brother, spent a few days with Mr. and Mrs. Mantle at the Lake last week.

BEAR LAKE-ITES

These super-superstitious, the boys, have been duck hunting with singular success this Friday for her second year in training at the University Hospital, after spending a three weeks' vacation at the home of her parents, Mr. and Mrs. W. Russ.

Stanley Peary returned home on Sunday and Monday, having been in place for a few days in the Storm.

Frances Oliver, Jean Smyth's guest, returned home on Sunday. Audrey Bradley spent a few days with the couple.

Levi Smith and Eddie Nelson became Bear Lake buddies on Sunday. Levi, of Tofee, and Eddie, of Tofee, and Levi's wife, Mrs. Nelson, are visiting between the storm and storm clouds.

Mrs. Kadey is spending a few days with Mrs. Cameron.

On Wednesday Mrs. Swanson came out and shut up Ye Bear Lake Boats, so Clarence Adams, being jobless, returned home, and tomorrow, with the Bear Lake milk producer, calmly a-follin him.

Mr. and Mrs. Spence and daughter, Betty, of Dawson Creek, were the guests of Mrs. Mantle on Sunday.

Mrs. A. Smith and Margaret, who are expected out tomorrow to spend a few days with Mr. Cameron.

MISTER ABERNATHY—TAKE NOTE!

I was reading the other day about a Russian who had returned from Russia. No one smiles, and out in the country the peasants look somewhat unhappy. This may be due to the fact that no one has any money, and when you have seen the photographs which Mr. White took of it and which show the miserable condition of the people, you will quite understand its retreating nature.

The lake heaved and heaved, and churned at the top of the water, accumulating in the patches all these years, and that's why the lake is thick with green scum, and the water is brown. The Tribune for this day thought it was the lake and the Ogonipso is too young to be held responsible for the trouble.

Our monster is a very shy beast, and no one has ever seen it except the Tribune staff and Mr. White, and when you have seen the photographs which Mr. White took of it and which show the miserable condition of the people, you will quite understand its retreating nature.

DAPHNIA EGGS AND THE BEAR LAKE MONSTER

Listen to this! "Bear Lake 5,000 years ago in the bottom, a minute shellfish, and preserved in the solid ice of the permafrost from regions of Siberia, have been taken out, put into an incubator and made to hatch. From these daphnia, the scientist concerned, prints out that the possible consequence of bringing forth life to which such was given so many centuries ago are enormous.

ENGLISH VEGETABLE MARROW

By Mrs. Chas. H. Jones, Grande Prairie, Alta.

Storage. Suspend a wire from the ceiling, in a dark well-ventilated corner of the cellar, since so that they don't touch one another. They will keep all winter.

Use. Being of a bland taste, it can be used both with highly flavored and seasoned foods to make an appeal to the palate, or as a vegetable fried, boiled or steamed, or baked.

Fried. Remove seed and peel, cut in half, then quarter, lengthwise, and slice, dip in batter, or first in milk and then flour, and fry in fat, season with salt and pepper, and serve enriched with parsley.

Boiled or Steamed. Peel, seed and slice. Boil in enough water to prevent burning, until tender. To improve add half cup of celery tops in six pounds of marrow for celery seed in mixture, if hops are not available.

Baked. Cut marrow in half lengthwise, and take out seeds. Parboil two large onions, chop them and mix with one cup of bread crumbs, season in milk, add two tablespoons of butter, salt and pepper to taste. A little chopped meat will improve. Put this mixture in the marrow halves, and brush with melted butter. Bake in covered dish for half hour or until tender.

Preserves and Jam. Jam. Peel, seed, and slice marrow. To every pound add 10 to 12 ounces of sugar, and cook over a low fire for 12 hours, to extract juice from clear pulp. Boil the tender. It should be clear and transparent. Add flavoring to suit your taste—rose geranium, lemon or vanilla. Seal in sterilized jars.

Mixed. Use the above HARBOR recipe class flavoured and equal weight of any of the following: Any kind of straight jam, such as strawberry, raspberry, or black currant. Also berries, such as raspberries, or blueberries, or raspberries. Dried fruits may also be used—apples, peaches, cherries, or apricots. Use the following: One pound of dried fruit to 2½ pounds of marrow. Cook dried fruit over a low fire for 12 hours, to extract juice from clear pulp. Boil the tender. It should be clear and transparent. Add flavoring to suit your taste—rose geranium, lemon or vanilla. Seal in sterilized jars.

Lemon and Marrow Jam Filling. or Cream. Peel, seed, and slice marrow. To every pound add 10 to 12 ounces of sugar, and cook over a low fire for 12 hours, to extract juice from clear pulp. Boil the tender. It should be clear and transparent. Add flavoring to suit your taste—rose geranium, lemon or vanilla. Seal in sterilized jars.

Marrow Pickle. 4 pounds of marrow, 8 pounds of vinegar, equal bulk of onions (small), 4 point of sugar, ½ lb. of cloves, 12 small peppers, 10 cloves, ½ ounce of mustard, 4 cups of vinegar. Cut the marrow in small squares, wash with layers of salt and be stand overnight. In the morning strain, place in a wooden tub, and chop the marrow fine for use, if preferred.

Marrow Pickle. 4 pounds of marrow, 8 pounds of vinegar, equal bulk of onions (small), 4 point of sugar, ½ lb. of cloves, 12 small peppers, 10 cloves, ½ ounce of mustard, 4 cups of vinegar. Cut the marrow in small squares, wash with layers of salt and be stand overnight. In the morning strain, place in a wooden tub, and chop the marrow fine for use, if preferred.
